**Re: United States v. Daniel Ramirez Flores  
25-MJ-1452 (UA)**

Dear Judge Aaron:

I write to respectfully request that the Court grant a one-week extension to the deadline for obtaining a co-signer in this case, to May 15, 2025. The government consents to this request.

On May 1, 2025, Magistrate Judge Ona T. Wang ordered Mr. Ramirez Flores released on his own signature and additional bail conditions, including *inter alia* a \$5,000 personal recognizance bond to be co-signed by one financially responsible person by May 8, 2025. Consistent with his bail conditions, Mr. Ramirez Flores was released that day on his own signature, and reported to Pretrial Services the following morning to be fitted with an ankle monitor.

Since his release, Mr. Ramirez Flores and undersigned counsel have been diligently working to identify and facilitate approval of a co-signer; however, Mr. Ramirez Flores requires additional time to make those arrangements. Accordingly, he requests a one-week extension of the deadline to secure a co-signer. As noted above, the government consents to this request.

Request GRANTED. SO ORDERED.  
Dated: 5/9/2025

Respectfully Submitted,
